

Worldwide **Pinhole**  
Photography Day

# The next pinhole day is April 24, 2016

At **BIRDHOUSE** in Forres we are celebrating Worldwide Pinhole Photography Day. Come and join us to celebrate on **Sunday 24th April** at the BirdHouse, Forres (opposite the Mosset Tavern) Create and develop your very own 'Old Skool' pinhole photograph and get it published on the Worldwide Pinhole Photography Day website.

**2 sessions 10am - 12noon & 2 - 4pm**

£3 towards materials please

This is an international event created to promote and celebrate the art of pinhole photography.

On this unique day, we encourage people throughout the world to take some time off from the increasingly technological world we live in and to participate in the simple act of making a pinhole photograph. to share their visions and help spread the unusual beauty of this historical photographic process.

Pinhole photography allows you to make a photograph that requires only a light-tight container (box, can,...) with a tiny hole in one side (as a camera) and any photo-sensitive surface in it.

**Pinhole Photography is a great way to learn the theory of photography it is also a great creative tool, each camera has unique properties due to its individual construction. Because of the lens-less construction the images appear softer but have an infinite depth of field (all parts of the image equally in focus)**

**BIRDHOUSE**  
**98A Dunedin Place**  
**North Road, Forres**  
**Forres, Moray, United Kingdom**
